

# Argent

Argent has specialized in designing, fabricating and distributing a wide variety of self-adhesive die-cut solutions for over 35 years! Argent is a full service tape converter and distributor, servicing all of North America and shipping product worldwide.

## Application Solutions

Argent's expansive family of Application Solutions address a variety of industry challenges.

- Anti-Shatter Tape™
- Anti-Slip/Anti-Skid
- Bonding and Attaching
- Bridge-it™
- BSR/ NVH
- Converted Rolls Goods
- Electrical
- EMI Shielding
- Epoxy Washers™
- Gasketing, Cushioning & Sealing
- Heat Transfer Graphics™
- Hole Covers
- Labeling & Identification
- Masking
- Medical Products
- Packaging
- Protective Materials & Surface Protection
- Reclosable Fastening
- Reflective & Luminescent Adhesive Backed Products
- Safety Products
- Spacers, Shims & Washers
- Specialty Products
- Sub-Assembly & Finishing Services
- Water Proofing
- Wind Noise & Sound Dampening
- Wirestrap™

**Don't see it... ask! We utilize over 250 different raw materials & adhesives!**

Argent International, Inc. • 41016 Concept Drive • Plymouth, MI 48170
